SURVEY OF STREETS

Report No. 3

Selectmen of Jaffrey, N. H.
Gentlemen:

Following is the progress report of the Survey of Streets to January 31, 1931.

The measurements of the ground plan of buildings on the following streets were completed: Peterboro St., Main to Shedd Property, East Main Street, R. R. to Cemetery, Ellison Street, Railroad Streets and Squantum Road, R. R. to Wheeler Road.

Additional surveys were made as follows: Old Squantum Road, Humiston Park over "Sawyer Hill" to Rindge line tying in on four pipes supposed to be on the town line, Squantum Road from Humiston Park to the stone post at the town line of Jaffrey, Rindge and Sharon, Railroad Street, west side and Lincoln Avenue, K-K road, Peterboro Street to Oak and Oak Street.

A standard sheet 24 inches by 34 inches for the 40 feet to the inch plans was adopted, and from the data obtained from the Squantum road Surveys relative to the portion of the south town line as a base the location of the different sheets was established and one tracing (sheet No. 250) was made. In the layout of the standard sheets the longer border lines are practically parallel to the south boundry line of the town.

J. W. Austin and M. Fernald were employed as rodmen during the year.

The costs were as follows:

REPORT OF HEALTH DEPARTMENT

For the Year Ending January 31, 1931

With the exception of Whooping cough there has been very few cases of contagious diseases and those very light. I would like to inform the parents of children that the law requires them to report all suspicious cases, this does not seem to be generally known.

The fourth Child conference was held in East Jaffrey May 28, 1930 under the direction of the State Board of Health with the co-operation of the local Board of Health, the Parent-Teacher's Association, the local Nursing Association and the Selectmen.

Fifty-one infants and pre-school children were given a complete physical examination.

Thirty-one of these children were found to have some defect, only twenty being normal.

Dr. L. B. Hatch and Dr. F. C. Sweeney were the examining physicians.

It has been necessary to build about three-hundred feet of sewer in order to make a certain section of K. K. Village sanitary.

The trunk line on Squantum Street is causing a lot of trouble and expense each year on account of the size of tile used and inefficiency of the builder. And I would advise the replacing with larger tile to take care of the flow.

The report from tests of water sent to Concord have all been good and Jaffrey should feel proud of its water supply.

REPORT OF JAFFREY HISTORY COMMITTEE

The success of the Jaffrey History Publication Committee, as reported below, in complying with conditions of a vote passed at the last annual meeting of the voters of Jaffrey, makes available a sum believed to be sufficient to complete the compilation and cover cost of printing of the New History and consequently no appropriation is called for at this time. Expense for research and the gathering of material is practically over and payment for services of Mr. Annett ends with the present report. Considerable work remains to be done; and the time required for printing, indexing, proof reading and binding is estimated at one year. A summary of the expense of the work to date is given below.

Appropriations to date	\$8,200 00	
Not drawn (1929)	75 00	
		\$8,125 00
Received for sale of pamphlets		1 90
		\$8,126 90
Paid: Albert Annett:		
5 years Service and Expense	\$4,650 30	
Alice E. E. Lehtinen time and expense	3,285 51	
Expense surveying, printing, Stevens pamphlet, and miscellaneous	180 76	
Cash on hand, last report	10 33	
		\$8,126 90

An invitation heretofore given is now repeated to all Jaffrey families who are interested and have not consulted Mr. Annett or Miss Lehtinen in regard to their genealogical record, to do so at once, as this section of the History must be closed within the next two or three months.

In its support of this work of preserving for future times an honorable history the town of Jaffrey has shown the same progressive spirit that has marked many of its previous undertakings; and it is now among the first to act in what seems to be a general awakening in many New England towns to the importance of a public duty too long neglected.

Nearly all the great libraries and historical societies to whom the subject has been presented have aided by advance subscriptions and by placing all their facilities for research at our disposal; and it is a pleasure to

report that from these sources have come many words of commendation of the intelligent and progressive public spirit that has made the undertaking possible.

REPORT OF JAFFREY HISTORY PUBLICATION COMMITTEE

At the annual Town Meeting, held March 11, 1930, it was voted to appoint a committee of five men, to be supplemented by five women; to be chosen by the Woman's Club, to contract for the publication of the New History of Jaffrey and provide for its sale. Publication to be at a cost not to exceed \$11,000; that the Selectmen be authorized to borrow money for this purpose, at such times and in such amounts as should be required, provided that enough advance subscriptions should be secured to cover half the cost of publication. That all money received from the sale of said History shall be returned to the Treasury of the Town.

An appropriation of \$200 was made to cover printing and postage for the committee, of which amount a balance of \$128.04 remains unexpended. We present the following as a report of the progress:

The Committee has held seven meetings during the year, with an attendance of all ten members at nearly every meeting. It is the opinion of the Committee that a miraculous piece of work has been done in securing advance subscription for 426 copies. Of this number, 163 are from people of the town; 208 are from out of town people, including summer residents; 37 are from Libraries and 18 are from Historical and Genealogical Societies. This number is fully sufficient to comply with the conditions relative to publishing and borrowing funds with which to pay the printer.

The Committee secured bids from seven reliable printing houses and gave several meetings to a study of the bids, and a discussion of their relative values. In this discussion, the committee received valuable assistance from the University Press of Cambridge and from the Peterborough Transcript Printing Co., each firm sending two men to meet with the committee and discuss matters pertaining to getting out a good history at the lowest possible price.

On January 23, the committee voted unanimously to award the contract for printing to The Transcript Printing Co. of Peterborough, and feels sure, from samples of book work shown by this firm, that the completed History of Jaffrey will be a two volume book set of which the Town and all purchasers of the history may be proud.

As all bids received were based on a price per page for the various styles of type to be used, and, as it is impossible to tell exactly how many printed pages there may be in types of different sizes; also, as the exact

number of illustrations has not yet been decided fully, the actual cost of printing is not known at this time, but the committee is assured of good work, at a price within the limits set by the town.

The number of advance subscriptions received, in a season of hard times, is sufficient evidence of a genuine interest in the work undertaken, and it may safely be assumed that, with a continuance of the present sales methods, the entire edition of 1,000 copies can be sold within a reasonable length of time, and the largest part of the cost of publication returned to the Town Treasury.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Jaffrey:

I submit herewith my thirteenth annual report, this being the twenty-second in the series under union supervision. I am including with this a report of Headmaster Beal of Conant High School and a report from Miss La Freniere, the school nurse.

The enrollment for all the schools for the school year 1929-30 was 548, the largest for many years. For the first twelve weeks of the present school year the enrollment shows a slight decrease from the same period last year, the total being 507 where it was 518 last year. The high school, however, shows an increase, the total registration being 89 as compared with 80 for the year 1929-30.

Last year grade seven was divided into two sections on account of its large size, and this year it seemed advisable to divide grade eight and retain grade seven in one section, although there were 51 pupils in this grade at the opening of the school year.

It was found possible, on account of the smaller membership than usual in the first grade to carry on the work of this grade in one section for the present year, thus requiring the services of one less teacher.

There were several changes in our teaching force for the present year. Mr. Henry E. Winston, who had served as Headmaster for seven years retired last June to accept a position as supervising principal in Fort Edward, New York.

After carefully considering a number of candidates for the headmastership of the high school, Mr. Jarvis T. Beal was secured for the position. Mr. Beal is a graduate of Harvard, and for the past five years has served as Sub-Master of the Milford, N. H., High School.

Miss Elizabeth Peckham, teacher of Domestic Science was released to accept a position in Manchester, and her position was filled by Miss Olive H. Houston, a graduate of Keene Normal School.

Miss Mary E. McGrath, who had served six years as teacher of grade three was released to accept a position in Peterboro, and Miss Nora C. Hurley, who had taught for more than five years in grades three and four, was transferred to the third grade. Miss Hurley's position was filled by the selection of Miss Elizabeth S. Bunker, a graduate of Farmington, Maine, Normal School, who has had teaching experience in Maine and Connecticut.

Mrs. Ethel P. Deschenes resigned her position as teacher of the first grade, after more than nine years of service in the primary school, and Miss Geraldine J. Wallace, who had taught the second division of the first grade for the past three years, was transferred to Mrs. Deschenes' room.

Miss Shirley Bemis was released at the Christmas vacation

to accept a position in Massachusetts, and her position in the Junior High School was taken by Homer J. Forcier, a graduate of Holy Cross.

During the spring term of last year Miss Marie Hiller, who had been school nurse for many years gave up her position, and was succeeded by Miss Emma La Freniere.

The evening school opened Nov. 4th. There has been a registration of thirty pupils. Courses in Beginners' English, Advanced English, Commercial courses and arithmetic for upper grades have been offered. There has been a good attendance of those interested to continue their school work.

During the summer vacation rather extensive repairs were required on the roof of the high school building, and painting was done both on the exterior and interior of the primary building.

Automatic blowers were installed in the furnaces of both the high school building and the wooden primary building. These will doubtless result in a material saving of fuel.

The scholarship award of the Parent-Teacher Association for the Class of 1930 was made to Miss Frances H. Austin, who entered Keene Normal School.

The school work of the present year, both in the grades and in the high school has been good. The attendance percentages have been high, and the tardy marks have been few. Each six weeks has shown an increase in the number of pupils attaining an average of over 85%, and it has been our purpose to have each teacher give all the time possible to individual pupils who need special attention in order to master their work.

In closing I wish to thank the school board, teachers, pupils, parents, and all interested citizens whose support and co-operation are so necessary to the success of our schools.

Very truly yours,

LEWIS S. RECORD

Superintendent of Schools.

East Jaffrey, N. H.

February 2, 1931.

REPORT OF HEADMASTER OF HIGH SCHOOL

To Lewis S. Record, Superintendent of Schools, East Jaffrey, N. H.

The following is my first report as Headmaster of Conant High School.

Teaching Staff

Coming to East Jaffrey to start the school year last September, I found two teachers who were college graduates, two Normal School graduates, and one graduate of Bay Path Institute in addition to the special teachers, Miss Mary Brown in charge of Physical Education, and Miss Ethel Grimes, our Music Supervisor. There has been one change in this staff, Miss Shirley Bemis leaving at Christmas time to accept a position in Norwood,

Mass. Her place has been taken by Homer J. Forcier, a graduate of Holy Cross College (1929).

Enrollment

While the total registration so far this year is eighty-nine, the actual membership on January 31, 1931, was eighty, thirty-two of which were boys and forty-eight girls. These are distributed by grades as follows:

	IX	X	XI	XII
Boys	8	12	6	6
Girls	17	19	5	7

The average membership for the first twenty weeks has been 82.904 and the average attendance 81.068 with sixteen tardinesses. This is an attendance percentage of 97.79. The following pupils have had a perfect attendance record for the first twenty weeks.

Charles Adams	Vieno Hautanen
John Austin	Waino Hautanen
Beatrice Blair	George Howard
Christine Buckwold	Virginia Jenkins
Earle Chamberlain	Helen Kelly
Arthur Coll	Marjorie Knight
Joseph Coll	Wilbur LaPage
Gerald Cournoyer	Barbara Messing
Randyl Cournoyer	Hubert O'Neil
Gertrude Duval	Harriet Preston
Ruth Eaves	Dora Proctor
Adelia Fassett	Lewis Record, Jr.
Rufus Fenerty	Oren Belletete
Charles Griswold	Francis S. Hunt

The distribution of pupils by curricula follows:

Curricula	IX	X	XI	XII
Academic, girls	7	8	3	1
Academic, boys	5	6	2	2
Commercial, girls	5	10	3	3
Commercial, boys	3	5	2	2
Domestic Arts	4	2	0	3
Business, girls	0	0	0	0
Business, boys	1	0	1	2
Total	25	31	11	13

Tuition Pupils

At the present time we have eight tuition pupils, all from Rindge, N. H. Grade IX has three; Grade X, three; Grade XI, one; and Grade XII, one.

Extra-curricula Activities

To fit one for community life today with its leisure time and other problems, pupils should practice how to live and conduct themselves by taking part in some of the extra-curricula activities.

1. Class Organization. Each class has selected its advisor and chosen its officers as follows:

Extra-curricula Activities—1—Class Organization

SENIOR CLASS

President	Gerald Cournoyer
Vice President	Margherita Vanni
Secretary	Marion Wakem
Treasurer	Verna Richardson
Class Advisor	Jarvis T. Beal

JUNIOR CLASS

President	Marjorie Knight
Vice President	Randyl Cournoyer
Secretary	Arthur Coll
Treasurer	Louise Hannon
Class Advisor	Miss Ruth Peckham

SOPHOMORE CLASS

President	Alma Hyrk
Vice President	Barbara Messing
Secretary	Charles Adams
Treasurer	Dorothy Hunt
Class Advisor	Miss Margaret Cournoyer

FRESHMAN CLASS

President	Hubert O'Neil
Vice President	Kathleen Cournoyer
Secretary	Aina Hyrk
Treasurer	Christine Buckwold
Class Advisor	Miss Grace Cunningham

2. Athletics. This year we have both a boys' and girls' basketball team participating with the six other teams in the Monadnock Interscholastic League. While not winners, our varsity teams are improving steadily and are good representatives of their school. Considerable help is being given to the grades under the immediate direction of Mr. Forcier.

3. Senior Play. The Class of 1931 presented "Here Comes Patricia" on November 14, 1930 for their annual play and realized over ninety dollars for their Washington trip fund, which is scheduled for April 17, 1931.

4. Junior Play. On Friday, February 13, 1931, the Class of 1932 presented their play, "Hero Is As Hero Does" and made over eighty dollars for their class fund. Both plays were given under the direction of Miss Margaret Cournoyer.

5. Scholarship. The East Jaffrey Woman's Club donated recently the sum of ten dollars to be awarded for excellence in English among high school pupils. The details for administering this gift are to be worked out by Mrs. Katherine B. Hamill, Miss Margaret Cournoyer, and Mr. Beal.

6. Music. A singing school is a happy school! The entire school participates in our music period which comes once a week on Tuesday. The pupils offer instrumental and vocal solos themselves frequently, thus adding interest in the appreciation

of music and giving variety. For some years Miss Grimes has given her noon times to helping any and all pupils who brought instruments. And it is chiefly through her sacrifice and efforts that Conant High can boast of a school band of over twenty pieces. This band, organized under the Harloway plan, is under the immediate direction of Mr. Chester Mason, and is represented by pupils and teachers of grades V—XII.

7. Noon Lunches. Although cooking is not offered in the Domestic Arts curriculum this year, some of the girls have given generously of their time, and under Miss Houston's supervision, have provided hot drinks and food for those who have to stay here noon times. That this service has been appreciated is attested by the numbers that have availed themselves of this opportunity.

Conclusion

I want to thank the parents, teachers, and all who have helped so willingly, and to call the attention of parents to two points. First I would say that any eighth grade graduation program should be regarded not as a finishing process, at the conclusion of which a child may leave school if he is of age, but rather as a promotion and a commencement of High School activities. Young men and women are realizing more each year that a High School education is necessary as training for the vocations of life. Secondly, I hope the parents will realize the value of personal conference with teachers in order to help solve such difficulties of their boys and girls as may arise.

Respectfully submitted,
JARVIS T. BEAL

Headmaster

TOWN OF JAFFREY DISTRICT NURSE

To Lewis S. Record, Superintendent of Schools:

On May 1, 1930 I undertook the work of District Nurse for the town of Jaffrey.

My first task was to examine the school children for State tabulation. As the school year was so near its close I was unable to examine all the pupils as I had hoped to do. The total number examined at that time was 411. The pupils of the high school were not examined.

I found the condition of the children good, as a whole.

Of the large number of pupils who should have tonsils and adenoids removed 26 were operated on during the summer. Glasses are needed by many pupils, and in several cases these have been obtained by the parents when the condition of their children was brought to their attention.

School reopened September 2, 1930, and up to January, 1931 I have examined 208 pupils. The pupils at the high school building have not yet been examined.

In conclusion I wish to express my appreciation of the splendid co-operation given me by the parents and teachers, for without this I would have been unable to have accomplished what I did.

Sincerely,

EMMA LA FRENIERE,
District Nurse.
